Thematerialism

the materialism

Thematerialism.com is a platform which offers view and update to all users who are interested in the latest trends of contemporary design and architecture. The structure of this site is designed to function like a big and well updated database, archiving and mediation products, designers, companies and manufacturers with high resolution photographs, drawings and specifications. The company's direct aim is to provide a unique e-shop, but also the largest information platform in the field of both Greek and international level, since among other it is updated with articles and reports on the latest trends of international exhibitions but also the most important facts from the world of architecture and design. With main purpose the correct and effective promotion of companies, both on the domestic market and internationally, thematerialism.com is certain that soon will be a valuable tool for all those who love the design.

QUOTE OF THE WEEK
“Character cannot be developed in ease and quiet. Only through experience of trial and suffering can the soul be strengthened, ambition inspired, and success achieved.”
Helen Keller
